CAPACIAN

The year of 1972-73, what has it meant to you as a functioning unit of the school system, a citizen of the United States, and as a child of the universe?

For eighth grade students it was the beginning of their final school years and the beginning of many unforgettable times. For seniors it was the beginning of the end. They watched and played their last athletic events attended their final ball and prom, and sat through their last classes. Each day brought them closer to the final time when they walked through the halls as students of Capac High.

But the year didn't only bring endings; it brought new beginnings. Computerized schedules, new victories and defeats, new teachers, hopes of a new school, and new experiences also came.

In the nation we also had beginnings and endings. We saw the end of life for two former presidents, death in war and domestic tragedies. But new life began each day and lives were saved by our advanced technology. The Apollo space program came to a successful end with hope for new beginnings of further exploration. We joyfully and thankfully greeted the end of the Vietnam war which enabled our servicemen and P.O.W.'s to begin life anew.

Each moment, each day that passes, closes one door but holds another open to shine a glimpse of a new light. The light of challenge, research, progress, beginnings and endings, life.

LATIN CLUB

This year Latin Club went Christmas carolling in a brisk and snowy winter wonderland. We visited many of the shut-ins and hope we filled them with joy as we were. After the carolling we had a party.

In March we had our annual Latin Banquet. Slaves were auctioned off by Mrs. Clarkson, and bought by the members of the royal court. After our feast, games were played. Our activities in Latin Club were very enjoyable and will always be remembered.

SPANISH CLUB

This being our second year in existence, we aren't too secure yet. We were moving quite slowly at the beginning of the year but seemed to get into the rushing world about Christmas time by making pinatas. All were brightly decorated and ready to be broken by a child's swing of the bat.

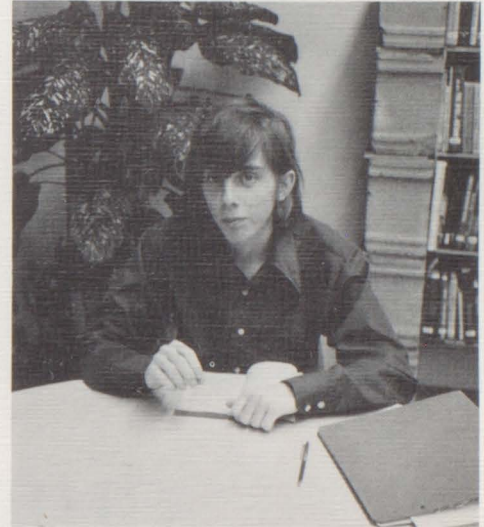

This is one of the projects we hope will bring us closer to our goal, a Spanish Dinner in the spring.

The FFA is a national organization of students preparing for agriculture careers. It is intra-curricular, organized by and for students of vocational agriculture. The major aim is to develop agricultural leadership, citizenship, and cooperation.

Nearly 500,000 members in 9,000 chapters learn through active participation in many activities. Members can participate in contests and earn degrees, offices, and awards in the chapter, district, regional, state, and national levels. They also participate in leadership activities, recreation, community service, agribusiness jobs, and their own supervised farming programs.

The chapter finances all its activities through sales of cider, seeds, Easter plants, and citrus fruits. It also earns money raising corn and beef steers.

Future Teachers of American was formed in 1937 to encourage students to consider teaching as a career. Although it still provides career exploration experiences, there is a new change in the purpose and programs of the organization. The main purpose of FTA is now to represent the interests of high school students in their education and to involve them in improving education.

For this reason, the Capac chapter has changed its name to American Youth for Education (AYE). Some activities of the club are college tours, Student-Teacher dialogs, Cadet Teaching, Teacher Assistance projects, and various money-making activities.

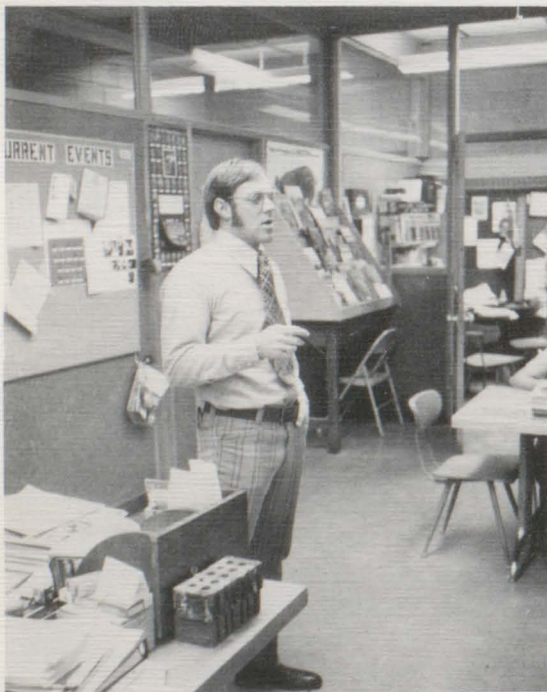

In the past, several local members have served as MFTA State officers. Presently Anita Stuever is serving as State President and Mrs. Crake is on the State Advisor's Council.

During the summer months, we practice for many of the area parades. This past summer, we marched in Armada and Capac Homecoming Parades, St. Clair Fireman's Day Parade, Port Huron Blue Water Festival, Algonac Pickerel Festival, Romeo Peach Festival, and Richmond Good Old Days Parade.

Our efforts paid off, for we won first place trophies in the Romeo and Armada parade competition.

We work at the County Clinic.

In 1952, Mrs. O. B. Kahn, R.N. formed the Capac Chapter of the National Association of Future Nurses. In 1958, Mrs. Carl Lang, R.N. joined Mrs. Kahn as club sponsor. We were first known as the Future Nurses Club, but in the fall of 1970, we changed our name to Health Careers Club, so that we might interest boys as well as girls in all medical fields. Our function and purpose is to interest students.

Members of our club look into all aspects of medicine by helping with health projects, health clinics, and volunteer work at the hospital. Each is required to do 24 hours of volunteer work and maintain a C+ average in school work. Many interesting speakers have highlighted our club meetings.

THAT'S THE WAY THE BALL ROLLS . . .

The ball is thrown down the alley with ease,
A spare or strike is sometimes a breeze.

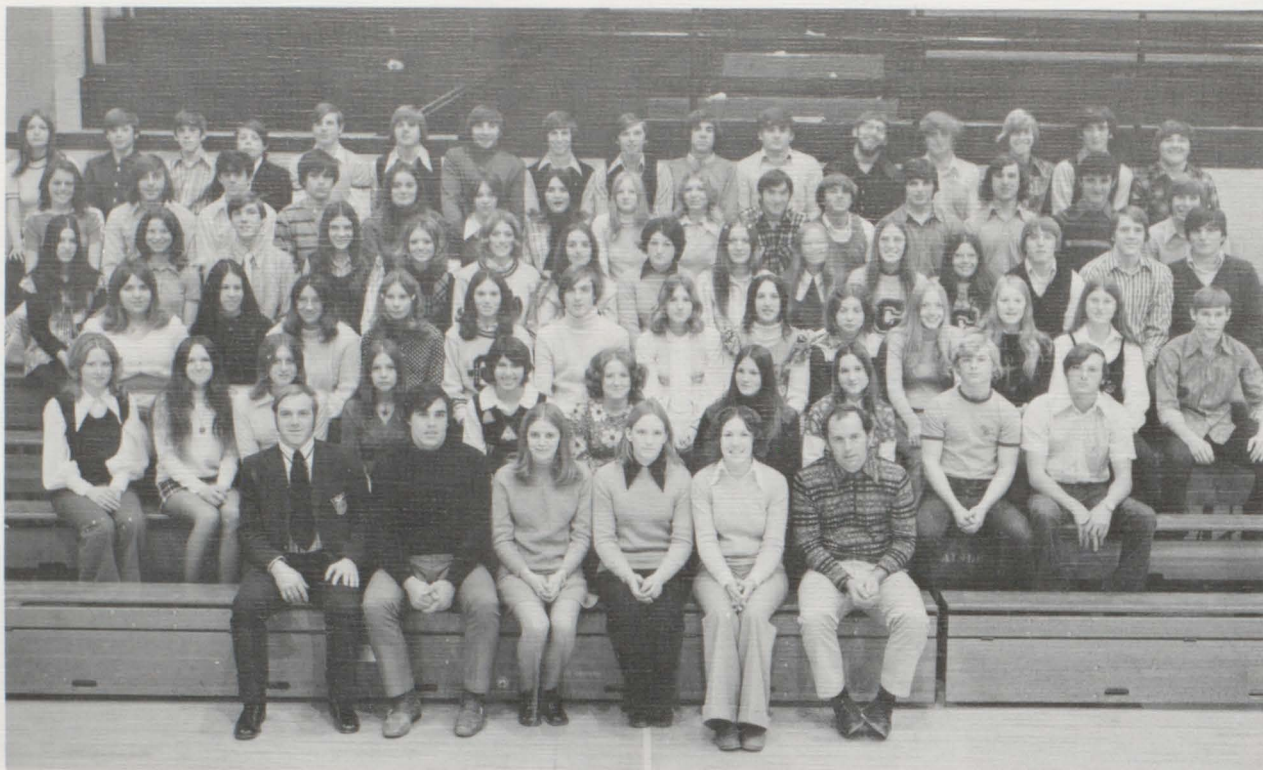

In this GAA activity, a trophy is gained,
By those two teams who win the most games.

The symbol of victory is shown in many ways.
A spare or a strike is a means of a gain
Or friends together or food to eat . . .
May mean victory to some and to some DEFEAT.

This year has been busy while the girls have participated in many sports and activities. This year a wide variety of sports have been offered including basketball, softball, badminton, table-tennis, bowling, volleyball, tennis, and gymnastics. GAA has also helped to buy the new weight machine that is so widely liked and used. Both football and basketball concession stands have also been run by the GAA. Other activities GAA has participated in was the MGAA State Leadership Camp and we will be competing in an intramural track meet.

We would also like to recognize Miss Barbara Redding as a fine and very active GAA sponsor.

CLASS OF 1976

President: Russ Neuman, Treasurer: Gerald Smith, Secretary: Jill Obertien, Vice-President: Tim Mickle.

Our Freshman Class started off the year on the right foot by choosing as our sponsors Mr. Matthew Hess and Mr. Dennis Weston.

The first big event of the year was Homecoming week. Our float, "Pluto Loves Devils Dogfood", was a big success. We won first place. Sherrie Nelson represented our class as Homecoming princess.

We sponsored a sophomore appreciation dance on Jan. 27. Our band was D.A. and the Witnesses.

All in all, the first year of our four long years in high school, was the greatest.

CLASS OF 1975

Cindy Bollaert, secretary; Tim Spiller, treasurer; Debbie Bentley, president; Rhonda Brooks, vice-president.

Our Sophomore Class started out this year by electing: Debbie Bentley, president; Rhonda Brooks, vice-president; Cindy Bollaert, secretary; and Tim Spiller, treasurer.

Our first excitement of the year was Homecoming Week. An excitement it was, for we won the Spirit Jug for the first time. Although we won the Spirit Jug, our float "A Spoon full of Chiefs makes the Devils go down" didn't make it far through the homecoming night with the drizzling rain. We elected Cindy Traub to reign as princess.

Later in the year we elected Sandy Carroll and Don Mann to reign as princess and prince at the Christmas Ball.

The biggest excitement of this year is our class rings which arrived in March. The first question of the class meetings before this seemed to be "When are our class rings coming?"
